In re:  CYXTERA TECHNOLOGIES, INC., <i>et al.</i> , <sup>1</sup>  Debtors.	Chapter 11  Case No. 23-14853 (JKS)  Jointly Administered  <b>Related Docket Nos: 650</b>

**LIMITED OBJECTION OF MICROSOFT TO THE ASSUMPTION OF EXECUTORY CONTRACTS PURSUANT TO THE DEBTORS' THIRD AMENDED JOINT PLAN**

Microsoft Corporation (“Microsoft”) respectfully submits the following *Limited Objection to the Assumption of Executory Contracts Pursuant to the Debtors’ Third Amended Joint Plan* (the “Limited Objection”) and states:

---

<sup>1</sup> A complete list of each of the Debtors in these chapter 11 cases may be obtained on the website of the Debtors’ claims and noticing agent at <https://www.kcellc.net/cyxtera>. The location of Debtor Cyxtera Technologies, Inc.’s principal place of business and the Debtors’ service address in these chapter 11 cases is: 2333 Ponce de Leon Boulevard, Ste. 900, Coral Gables, Florida 33134.

1. Microsoft Corporation is a party to the following contracts with Debtor entities (collectively, the “Licensing Agreements”):

- a. **Cyxtera Technologies, LLC:** (1) Business & Services Agreement U4564412, Master Agreement E8170742, and Enrollments 8588170 and 64714935.
- b. **Cyxtera Federal Group, Inc.:** (1) Business & Services Agreement U4564412, Master Agreement E8170742, and Enrollments 58795520 and 8588170.

2. The Licensing Agreements comprise the contracts through which Cyxtera Technologies and Cyxtera Federal Group obtained subscriptions for Microsoft’s products and services. The Licensing Agreements are executory contracts for the non-exclusive license of intellectual property and the payment of royalties as described by 11 U.S.C. § 365(n), and payments due under the Licenses constitute royalties. *In re Prize Frize*, 32 F.3d 426 (9th Cir. 1994).

3. On November 3, 2023, Debtors filed the *Notice of Filing Plan Supplement for the Third Amended Joint Plan of Reorganization of Cyxtera Technologies, Inc. and its Debtor Affiliates Pursuant to Chapter 11 of the Bankruptcy Code* [D.I. 650] (“Notice”). The Notice includes three Microsoft contracts among those executory contracts proposed for potential assumption and assignment by the Debtors:

Debtor Entity	Counterparty	Description	Cure Amount
Cyxtera Federal Group, Inc.	Microsoft Corporation	Volume Licensing	\$0.00
Cyxtera Technologies, LLC	Microsoft Corporation	Volume Licensing	\$0.00
Cyxtera Technologies, LLC	Microsoft Corporation	Volume Licensing	\$0.00

(D.I. 650, at page 50 of 234)

4. Although it is unclear from the contract descriptions, Microsoft believes the Debtors propose to assume and assign the Licensing Agreements. However, the proposed cure amounts are incorrect because they omit several unpaid invoices due under the Licensing

Agreements. All outstanding prepetition and post-petition invoices must be paid by the Debtors prior to assumption of the Licensing Agreements pursuant to 11 U.S.C. § 365(b)(1).

5. As of the date of this Limited Objection, the cure amount for the Licensing Agreements is \$58,575.53, as set forth below:

***Cyxtera Technologies, LLC***

Ex.	Enrollment	Invoice No.	Date	Description	Amount Due
A	64714935	9882154272	06/10/23	May 2023 Azure Usage	<b>\$33,658.73</b>

***Cyxtera Federal Group, Inc.***

Enrollment	Billing Date	Product No.	Quantity	Price	Total
58795520	11/1/2023	J5U-00004	1	\$0.00	\$0.00
58795520	11/1/2023	JZH-00001	80	\$123.96	\$9,916.80
58795520	11/1/2023	W6T-00008	1	\$15,000.00	\$15,000.00
					<b>\$24,916.80</b>

6. The Debtors continue to utilize the services provided for under the Licensing Agreements post-petition, including the Azure Cloud services which are invoiced monthly in arrears. Accordingly, the cure amount may increase based on the Debtors' ongoing usage of Microsoft's products and services and the actual date of assumption and cure.

7. Microsoft reserves the right to withdraw this Limited Objection or revise the stated cure amounts pending further investigation.

*[Remainder of Page Intentionally Left Blank]*

WHEREFORE, Microsoft objects and states that the cure amount for the Licensing Agreements is at least **\$58,575.53**.

Dated: November 13, 2023
